Sir,

Sub: Grant of conveyance allowance to the Sheristedar in charge of the Central Reserve Depot, Hassan.

Adverting to G.O. No. SD. 74-76/A. 85-43-34, dated 4/6-7-44 sanctioning the appointment of a Sheristedar for the Hassan Central Reserve Depot, I have the honour to state that the Deputy Commissioner Hassan District reports that there are five godowns attached to the Central Reserve Depot, that these godowns are scattered at long distances in the town and that the official has to visit each of these depots several times a day for inspection etc., besides having to attend to the loading of wagons etc., at the Railway station. The Deputy Commissioner recommends that in the above circumstances, the Sheristedar may be granted a Conveyance Allowance of Rs. 20/- p.m.

In supporting the Deputy Commissioner's proposal, I request that sanction of Government may be kindly obtained to the grant of a Conveyance Allowance of Rs. 20/- p.m. to the Sheristedar in charge of the Central Reserve Depot, Hassan.

A copy of letter No. F.3-C.53/44 dated 16-4-45 from the Deputy Commissioner, Hassan District, in the matter is enclosed for the information of Government.

Sir,

Re: Sanction of conveyance allowance to the Sheristedar in charge of the Hassan Central Reserve Depot.

In forwarding herewith a copy of the representation made to me by the Central Reserve Depot Sheristedar, praying for sanction of a conveyance allowance of Rs.30/- Per mensem, I have the honour to state that Government Order No.SD.74-76/A.85-43-34 dated 4/6th July 1944 sanctioning the above post does not provide for payment of conveyance allowance to the Central Reserve Depot Sheristedar.

In this connection I am to state that 5 godowns attached to the Central Reserve Depot are scattered at long distances in the town and the official has to go to each depot many times a day for inspecting, receiving and despatching consignments received from several taluks. Besides the Railway station is at a distance of about a mile from the town and he has to attend to the loading of consignments to waggons. It can thus be seen that the official has to perform much travelling on short distances and he has to maintain a conveyance for this purpose.
